MERCEDES SPRINTER

Plenty of room for innovation

Room for all situations in life - whether as a conversion for drivers or for passengers in wheelchairs. The handicapped accessible Mercedes Sprinter offers enough interior space for comfortable entry and handling in the vehicle. The Sprinter conversion offers barrier-free access both from the side and from behind. With all conversion variants, up to 6 passengers can be accommodated in the vehicle by simply folding down the seats. Whether driving behind the steering wheel in a wheelchair or in the vehicle. This conversion offers the best individual solution for everyone.

Height limit:	1485 mm	Interior height:	max. 1610 mm	Interior width:	max. 1450 mm
Ramp width:	various	Eye level:	1410 mm	Ramp length:	various

NOTE: The measurement and consumption information provided by the original manufacturer may no longer be correct after the conversion.
