VOLKSWAGEN
# *T6 PREMIUM*

Multifunctional & flexible

The powerful VW T6 is the perfect solution for people with a disability – whether as the driver, front or rear passenger. Families with a disabled child will also experience a new dimension to mobility thanks to the numerous alternatives available for adaptation. Together, the VW T6, the PARAVAN docking station and the PARAVAN wheelchair are a perfect combination. This integrated concept has already delighted countless customers. Depending on your disability, the PARAVAN VW T6 offers numerous possibilities for input devices (for example Space Drive), restraint systems or seating solutions – the PARAVAN VW T6 conversion is your perfect and faithful companion in all living conditions as VW Multivan, VW Caravelle or VW Transporter Kombi.
